All Historic Summer Race Meeting

1st October 2013

Dear Competitor,

Please find enclosed the Supplementary Regulations and Entry Form for our Summer meeting, to be held at Sydney Motorsport Park on the weekend of the 23rd and 24th of November. We would be delighted if you could attend.

At this meeting we will be running on the traditional GP circuit, not the new Brabham circuit.

The features for this meeting will be:

- A trophy race for Q&R racing cars and we are hoping to have enough cars to be able to form a separate grid.
- This means that we need a separate grid for Q&R sports cars, so we are hoping to attract some “Big Banger” sports cars to make a spectacle. It is also the final round of the Sports 2000 series for the year, so we should see some exciting racing from this fast category.
- The running of the Dawson-Damer trophy race for M&O racing cars.

We are also hoping to have a “pre 60’s” group of JKL, SA and NA, if we can get enough entries to form a grid, so please spread the word. Similarly, if we have the numbers we will have separate races for SB, SC, NB and NC. However, we need your support to enable this to happen, which means at least 25 cars in each group to be able to form a separate grid.

Should you have any queries, feel free to contact me on (02) 9913 3662 at home or on email - nbryen@optusnet.com.au.

I look forward to seeing you there.

Yours sincerely,

Noel Bryen
