### FRONTAL HEAD RESTRAINTS

The Confederation of Australian Motor Sport (CAMS) has issued regulation amendments incorporating the mandatory use of Frontal Head Restraints (FHR) after announcing the use of FHRs are to become mandatory from 2014.

The amendments affect two Schedules;

Schedule D – Apparel and

Schedule I – Safety Harnesses/ Window Nets.

These Schedules with regulation amendments for the mandatory use of FHR devices can be found by clicking here for [SCHEDULE D](#) and here for [SCHEDULE I](#).

For the Bulletin click [HERE](#).

Please Note:

CAMS will only recognise the SFI Standard 38.1 FHR devices up until the 31/12/2015, when the SFI Standard 38.1 devices will no longer be recognised. CAMS has only ever recognised and recommended the use of FIA approved devices.

## HRCC

### **MAY General Meeting to be held at SHANNONS Clubrooms**

**5/ 305 Montague Rd, WEST END.**

**The usual BBQ and refreshments will be available from 6:30,**

**Meeting begins at 7:30.**

**-Guest Speakers in attendance-**

***\*One Member at this meeting will win  
a Porsche Hot-lap with Jim Richards...***

***just ask the Shannons staff present for a quote on Home, Car, Trailer or Bike!***

**Off Street Parking, Bring Your Club Reg Car for a Run!**

### ***HRCC TO DISPLAY HISTORIC RACE CARS IN QUEEN STREET MALL***

**Once again the HRCC will be conducting a display of Historic Racing Cars in the Queen Street Mall to showcase amateur and Historic Motorsport to the public and the authorities.**

**This will be an all-day event on Thursday 12<sup>th</sup> of June and is a great opportunity to promote our Historic Race Meetings. The Club's major sponsor Shannons Insurance will assist with the display and its costs. Co-ordinator Peter Walsh is seeking expressions of interest from Members willing to provide cars and/or their time for the event.**

**Please contact Peter on 0419778007 or [info@hrcc.org.au](mailto:info@hrcc.org.au)**

**It was great to see a good turnout of sedan/sports cars for the recent Autumn Historic Regularities at Warwick; hopefully blowing out any gathered cobwebs in readiness for an even BIGGER muster at HRCC's Huge Main Event in July.**

**BUT wait - there is a further chance for more excitement/driver practice/test & tuning in the lead up to Historic Queensland. Why not check-out Ipswich Festival of Cars at Queensland Raceway on 03-04 May 2014 (@ [www.qldraceways.com.au/headline-events](http://www.qldraceways.com.au/headline-events)) before submitting your entry into our HRCC NextGen Regularity Slot and becoming part of and sharing in, what promises to be another great weekend of Motorsport and Mateship??**

**All entries for QRO events are now via their online entry system, however for this one please email me firstly @ [hrccnextgen@hotmail.com](mailto:hrccnextgen@hotmail.com) for guidelines.**

**I wonder how many new smiling faces I will get to spot over this weekend.....!!**

**Tony Hastings  
HRCC NextGen Regularity Coordinator**

**M**y apologies to all. Unfortunately and much to my displeasure I was unable to attend the Autumn Historics due to work commitments. From all reports I missed a top weekend of historic motorsport. My thanks and all the credit must be given to the event organising Committee along with a cast of willing helpers who once again provided an outstanding event enjoyed by all. A special Thank You must also go to all the Event Sponsors and Officials for their continuing support.

While the Autumn Historics was a great success it was merely an appetiser for the 37th Annual 'Historic Queensland' being held at Morgan Park Raceway on 12th and 13th of July. Event preparations are well underway so I encourage all competitors to watch out for the opening of entries to make sure you don't miss our biggest event of the year.

In closing, our Club currently has several competition "Group Managers" positions vacant, so if there is a particular competition group that you have a keen interest in, and you would like to help, please contact any member of the HRCC Committee to apply. We would welcome your help.

Kind Regards

*Alan Steel*

### **POSITION VACANT: HRCC REGALIA OFFICER**

**The Club will require a new Regalia Officer for 2014**

*This does not need to be a Committee position, the role is open to any Member or couple willing to take a little responsibility for the supply of Regalia, which includes Clothing (T-shirts, hats, etc) and assorted items including badges, magazines, cups, pens, etc., and some coordinating of volunteers to man the Club tent. This role can be the public contact for the Club at events, and is rewarding in the assistance you can give to current and prospective new Members.*

**Please contact John Tupicoff (see page 2) for more detail on this important Club role.**

### HELP WITH INFORMATION:

I'm currently restoring a 1948 MG TC which I am informed had a competition history in Queensland during the 1990s and on to about 2005.

The car chassis number is TC 4892 and the engine number XPAG 5535.

The owners at the time included Harry Bezant.

I am hoping to find any information related to the vehicle specification during this time as I would like to use the car for competition..

Any information you are able to provide would be greatly appreciated,

Many Thanks, Raymond McAuliffe 0407949292. [rlm.recruitment@gmail.com](mailto:rlm.recruitment@gmail.com)

**FOR SALE: 1955 Group Lb Nota Sportsman** number 5 (Amos Brothers car). Comes with a C of D and Cams log book. This car features in the book *The Nota Files* written by Rod Moore and Bruce Bloodworth. Has long documented history from 1955 and is the oldest known surviving Nota. The car was built by Guy Buckingham in Sydney for the Amos Brothers and based on a Ford 10 Prefect. Plenty of photos of it racing in the 1950s and 60s. Mechanically reconditioned, needs panel & paint. \$15,000 includes 2 spare engines, a gearbox and boxes of bits and pieces. Please call Garry Saunderson on 0419 776685 anytime or [saunderson@bigpond.com](mailto:saunderson@bigpond.com)

**FOR SALE: BILL PILE 1956 MG TC SPECIAL**

This car has a fantastic continuous documented racing history from March 1956 to date. It is probably the prettiest TC on the track in part due to the body work by Garry Cooper in SA. It has a current CAMS Lb Logbook and COD. It has been kept in top mechanical condition and raced extensively over the last 10 years by me. Recently it was race prepared and has not raced since. The car is log-booked to run with 13 or 15 inch wheels and comes with both. An extensive documented history is available from original build in 1955-6. This is an opportunity to **own an ex Grand Prix car** with a superb history. A fully enclosed registered trailer is included. Price \$60,000  
If you are interested or for more information please ring Adrian Brooks on Mobile 0438 383 941

join in the HRCC Display.  
And leave your numbers on!**

### **The CAMS Judicial System at work.**

Just to keep the record straight a penalty was imposed on a competitor at Autumn Historic Warwick. The charge was for not following Officials' direction and verbally abusing Officials. The penalty was exclusion from the meeting and any points scored deleted, also a fine of \$1000 suspended for 12 months. In other words the competitor is on a good behaviour bond for 12 months at risk of forfeiting the \$1000. He was fortunate there was no swearing involved otherwise the penalty would have been much higher.

### **The volunteer Officials enable us to go racing.**

**No Officials, No Regulation, No Insurance = No Racing. Let's look after them.**

Minutes of General Meeting  
General Meeting. 17<sup>th</sup> March 2014. Shannons' Clubrooms, West End.

Meeting opened 7.40pm with President Alan Steel in the chair. **Present:** As per attendance register.

**Apologies:** Andrew Gamblen, Neville Mansfield, Peter Stewart, Graeme Wakefield, Annette Truscott, Corey Hutson, Bruce Dummett, Kevin Gray, Phil Ross. **New Members and Guests:** Nil

**Minutes of Previous Meeting:** Minutes of the previous General Meeting were not yet available so will be considered at the next meeting.

**Membership Report:** Chris Fry reported current membership is 437.

**Treasurer's Report:** John Tupicoff said that for February income was \$18170.13 and expenditure \$4829.02. Income was mainly membership renewals (\$7984), TTT (\$7250) and sponsorships (\$2500), with main expenditure TTT (about \$1000). Cash on hand \$107284, investments \$814917.

**Historic Torque/Oily Rag:** Peter Walsh said the newsletter was early to the printers but late going out – sent electronically this afternoon and posted last Friday. The next Oily Rag will be in a couple of weeks.

**Trophy night:** Has been postponed to a date to be set.

**Events:** The Autumn Historics are only 3 weeks away (4,5,6 April) and John Tupicoff will need plenty of assistance from members over the three days. Gp N requested no closing up of grids for their races.

**Historic Commission:** Alan Don reported on the Historic Commission's 27 February teleconference and subsequent actions. Technical Bulletins B14/001 Group A Engine Sealing (commencing 21/2/2014) and B14/002 Group Nb and Nc Negative Camber (commencing 21/4/2014) were issued.

Following a resolution by CAMS Queensland State Council, the Commission resolved to delete words in the "Vehicle Eligibility Standard Equipment and Guidelines Group N & S Seats 3.6.1" which would not prevent Gp N & S owners from fitting seats with extended "wings".

The CAMS Board has decided that Regularity Trials will be included as Speed Events and has directed that the National Competition Rules etc be amended to allow this. The Board also approved a Commission request to exclude 5<sup>th</sup> Category from the constraint in Article 8.4.4 of Schedule G limiting restriction of fuel to pump fuel only, rather than pump fuel and other fuels such as 100/130 avgas or 100 octane racing fuel. This may allow Groups to request restrictions excluding more "exotic" fuels which may be used currently.

The Commission approved amendment of the Gp N regulations to permit, on specific application, the use of a specified external belt driven oil pump to replace the original camshaft driven oil pump in the Australian Chrysler Valiant hemi 6 cylinder engine. Location, piping and drive specifications are prescribed. It also approved a proposed component testing Bulletin commencing 1/7/2014 requiring all new CoD applications for Group O and beyond racing and sports racing cars of 2 litre capacity and above to include component testing certification of specified components. The CAMS 11/3/2014 determination mandating use of forward head restraints (FHR) from 1 July 2014 for all international and national circuit races, road events and offroad events, and from 1 January 2015 for all State circuit races, road events and offroad events, except where specifically exempted due to the type of vehicle, was noted. HRCC has been advised by CAMS that the July National Historic Meeting does **not** require the use of FHR, although their use is strongly recommended by CAMS and HRCC.

**CAMS State Council:** Fred Sayers said there was nothing further from State Council.

**Group Managers:** Ron Blake (Gp N) reported on Round 1 of the Qld Cup (Black Truck Isuzu Ute Series) at Lakeside. Bruce Dummett is a bit sore so not here. There were 24 competitors and no incidents. Rnd 2 is the HRCC Autumn Historics. Rnd 4 will be in association with the HQ Nationals. John Kingcott is back from WA and helped with eligibility at Lakeside. The Harvey Black Endurance Cup will be a 20 lap handicap at two separate rounds, with drivethroughs. All cars must have CAMS logbooks – dispensation may be extended for 1 or 2 rounds but not more. Recommending sealing engines. The AHTCA Driving Code applies with penalties using demerit points which have rolling accumulation for 9 rounds so misbehaviour resonates for two years. David Paterson (Gps C & A) reported a record entry at Philip Island with a good weekend's racing. Next round is Sydney Retro Speedfest at Eastern Creek on the first weekend of May, for post 1960's groups – entries have opened.

**Correspondence:** No correspondence available.

**General Business:** **VCCA Clubrooms:** (1) John Tupicoff attended a tenants meeting, where VCCA asked all tenants to ensure that the hall is left clean and tidy after meetings, and that doors to the toilets/kitchen have to be locked. The rooms are 20 years old and are used by 19 clubs, plus daytime uses. (2) **City Mall Car Display:** Is on Thursday 12 June, help is needed. (3) **New Macs Bridge** is at Logan Campus of Griffith Uni May 18<sup>th</sup> – help and cars for display needed. (4) The **May, August, & October General Meetings** are at Shannons, not VCCA. (5) The **International Historic Karts Meeting** car display is on this weekend – only 5 cars for display so far. (6) **Constitution** – Milton Brennan said that it is on track for circulation to members.

**Guest Speaker:** Ron Blake, long-time Gp N competitor, spoke about the Queensland Motorised Sports Council Inc., of which he is Chairman. It was formed nearly 3 years ago as an umbrella representative for all forms of motorised sport/recreation. It is an Incorporated Association but is a Council, not a Club. Individuals, clubs, venues, associated industries etc. can be members. It aims to give a coordinated advocacy for motorised activities to Governments, Police, Councils, politicians and other regulating entities. They also offer club and member insurance at good rates through Jardine Lloyd Thompson. They are also able to supply Special Interest Vehicle certification to members. For more details and information, visit the QMSC website at [www.qmsc.org.au](http://www.qmsc.org.au) or contact them on 0418 794 479 and email [secretariat@qmsc.org.au](mailto:secretariat@qmsc.org.au).

**Meeting closed:** 9.40pm.

**Next Meeting:** 7.30pm Monday 21<sup>st</sup> April 2014. Alan Steel, Meeting Chairman
