## This Sunday!

You might give Peter Walsh a quick call  
(0419778007) to ensure there's a space for you  
on the display?

Hi again Peter,

While I was interstate I was put onto an internet forum which is for photo's and discussion of Australian motorsport for the 1950's through to the 1970's. At the moment it has about 170 pages and I have only looked at about 30 pages and saw that it included photo's & info relevant to Qld and HRCC members. It is worth a look and would be good to alert club members of its existence in the newsletter. You can find it here –

# SHIFTING FOCUS

AUSTRALIA WIDE MOTORSPORT PHOTOGRAPHY

Ian Welsh 0400 630 482  
 shiftingfocus@bigpond.com  
[www.shiftingfocus.com.au](http://www.shiftingfocus.com.au)

I would like to assure members the points raised at the Future Workshop have not been forgotten. It might seem to some that nothing is being done but that is not the case. Before we can look too far ahead, we must set a strong foundation to position the Club for a strong and prosperous future.

There are three key platforms to this foundation that we in the Committee have been working to address.

The first key area of reform required involves updating our Club's Constitution. The Committee has been working to update the Constitution, and a draft of this document is currently going through final Committee approval. The Committee would then like to welcome Members to engage in the process. The updated Constitution will be placed on the HRCC website to give Members the opportunity to review it, and later, Members will be given the opportunity to vote on it. This process is expected to take another couple of months, and it is important that we invest this time to get this right.

The second key area of reform we need to undertake involves our Membership and financial record keeping. It may come as a surprise to some of you to learn that currently the Club's database is simply a few Excel spreadsheets. This is unacceptable for a club of our size. It is important that our Club has a modern and secure database and up to date financial record keeping software to meet our future needs.

The third key reform is the establishment of a Club Operations Manual. This will identify all the Club's official positions and the processes required for the Club to do business. One idea raised during the Future Workshop was the outsourcing of some Club tasks to allow the Committee to more effectively manage the current needs of Club and maintain a focus on the future of our great Club. This Club Operations Manual will help to identify any Club tasks that can be efficiently outsourced, and establish the parameters required by the Club to manage and evaluate that outsourcing.

It is only once these items are in place that I would feel comfortable to invest further resources in the consideration of options available to the Club for the future. The first responsibility in building our Club is to ensure our foundation is strong. What is clear, however, is that if we invest our time in establishing these platforms, our Club will be well served by the great ideas and forward thinking on offer from our Members.

There is no shying away from the fact that our Club is currently going through a transition phase. Our planning suggests that this transition phase could last up to three years and we remind our Members that our Club will be stronger for your patience. The above tasks will continue to be handled as projects separate to the general business of the Club and the Committee will continue to give preference to event organisation.

I have complete confidence in our Committee's ability to work towards the future. Change is certain - it is ensuring that this change is for the better, that is our challenge.

Kind Regards

*Alan Steel*

**This could be  
your chance to  
get involved?**

### **POSITION VACANT: HRCC REGALIA OFFICER**

**The Club will require a new Regalia Officer for 2014**

*This does not need to be a Committee position, the role is open to any Member or couple willing to take a little responsibility for the supply of Regalia, which includes Clothing (T-shirts, hats, etc) and assorted items including badges, magazines, cups, pens, etc., and some coordinating of volunteers to man the Club tent. This role can be the public contact for the Club at events, and is rewarding in the assistance you can give to current and prospective new Members.*

**Please contact John Tupicoff (see page 2) for more detail on this important Club role.**

### CONCESSIONAL REGISTRATION

Concessional Registration Officer: John Tupicoff (see page 2)

**HISTORIC COMMISSION:** Following nomination by the HRCC, Alan Don has been re-appointed as a member of the CAMS Australian Historic Commission for 2013-14. Alan will report to Members on Historic Commission matters and seek feedback at Committee and General Meetings, and through the Newsletter. If you need to contact Alan on an Historic Commission matter, please call him on 3366 4358, or email at [spit5@hotmail.com](mailto:spit5@hotmail.com).  
After many years of very active service Bruce Richards has retired from his role as a Commission member.

**Membership Officer** Chris Fry advises there are now 511 Members and 184 Associates.

**Please welcome these recent New Members:**

## Volunteers needed for *Historic Queensland*, 12 & 13<sup>th</sup> July.

*These events don't just happen: HRCC makes them happen. We are all part of HRCC...*

*...get behind YOUR Events. Contact John Tupicoff, 0408197344 if you want to be part of the EVENT.*

### Jobs to be done prior to the Race Meeting:

**Transport** 7 single mattresses and 3 single beds (flat pack) to Morgan Park Raceway either 14<sup>th</sup>, 21<sup>st</sup>, 24<sup>th</sup>, 25<sup>th</sup>, 31<sup>st</sup> May or 1st June. ALL Items are new.

Size of items: Mattresses 1.88 x 0.98m x 70mm high and Flat pack Beds 1.9 x 1.0m x 30mm high.

Suggest minimum Toyota Hiace, covered van or sides which can be covered or a covered race trailer. Too long for Falcon/Holden Ute. Club will pay fuel costs.

**Distribute Poster/ Flyer** to your local Auto shops and Tyre Dealers and if out of the main cities, the local Hardware.

**Advertiser Spotting:** we are looking for Advertisers or trade displays for the race meeting. If you have some contacts please advise.

**Trophy Presenter** (at least 2 people). This is important Prior to the race meeting as there is some training and pre understanding required. Sorting Trophies, allocate Trophies according to the Result sheet and organising announcements to have trophies picked up.

**Merchandising:** the club needs someone to manage the shop on the weekend and Pre race restocking.

**HRCC Club Trailer** to be towed to and from Warwick for the race weekend, one way or both ways.

**Ferry Mini Bus** from Toowoomba to Morgan Park Friday and back to Toowoomba Sunday night or Monday morning.

**Setup of Paddock** area Wed & Thursday prior to the event. This is not hard work; Marking out Paddock, putting up signs, roping off areas, picking up items in Warwick etc. ONLY those assisting with these tasks will be permitted in to the paddock prior to the times stated in the Supplementary Regulations.

*If you think you can help with any of the above please give me a call and I will explain the task in more detail and you can decide then if it suits you. Contact John Tupicoff 0408917344.*

### FHR at *Historic Queensland* 2014.

The CAMS requirement for the wearing of Frontal Head Restraint (eg: HANS device) in Races will not be enforced at HRCC race meetings till 1<sup>st</sup> Jan 2015.

NOTE: For National Championship Events the requirement is from 1<sup>st</sup> of July 2014.

At this stage the requirement is for Racing, not Sprints or Regularity Trials.

Some have expressed concern re the compatibility of the FHR in some of the older cars. **To assist competitors prepare for this coming requirement, Peter Herlihen will conduct a number of educational sessions during the *Historic Queensland* Race weekend.** Peter, the Chief Scrutineer for the Meeting, will advise on the use of FHR, and its compatibility with other components (seat belts, seat, rollbar, helmet) and particular vehicle design and layout which affect the use of FHR devices. Coupled with this HRCC has arranged for Revolution Racegear to be on site also to help with advice on FHR device, particularly HANS, and associated equipment.

For your reference: <http://aimss.com.au/you-really-do-need-hans/>

*You should take care with the selection and fitment of any safety device so that it works as it is designed to. Seek advice if unsure.*

*Thank you to Club Members Ian and Pete Gilham of Forbes Batteries & Communications. Prior to Autumn Historic Warwick we asked them for help choosing personal 2-way radios for use by those organising the events. Ian & Pete came up with a modern hi-tech and reliable solution and persuaded their supplier to do a deal, so we were able to purchase 6 radios at just over half price. The improved communications worked a treat at the Autumn meeting and will be even more valuable for the organising team at Historic Queensland.*

*Many thanks, Forbes Batteries & Communications!*

**FOR SALE: 1955 Group Lb Nota Sportsman number 5 (Amos Brothers car). Comes with a C of D and Cams log book.** This car features in the book *The Nota Files* written by Rod Moore and Bruce Bloodworth. Has long documented history from 1955 and is the oldest known surviving Nota. The car was built by Guy Buckingham in Sydney for the Amos Brothers and based on a Ford 10 Prefect. Plenty of photos of it racing in the 1950s and 60s. Mechanically reconditioned, needs panel & paint. \$15,000 includes 2 spare engines, a gearbox and boxes of bits and pieces. Please call Garry Saunderson on 0419 776685 anytime or [saundson@bigpond.com](mailto:saundson@bigpond.com)

**FOR SALE: BILL PILE 1956 MG TC SPECIAL**

This car has a fantastic continuous documented racing history from March 1956 to date. It is probably the prettiest TC on the track in part due to the body work by Garry Cooper in SA. It has a current CAMS Lb Logbook and COD. It has been kept in top mechanical condition and raced extensively over the last 10 years by me. Recently it was race prepared and has not raced since. The car is log-booked to run with 13 or 15 inch wheels and comes with both. An extensive documented history is available from original build in 1955-6. This is an opportunity to **own an ex Grand Prix car** with a superb history. A fully enclosed registered trailer is included. Price \$60,000  
If you are interested or for more information please ring Adrian Brooks on Mobile 0438 383 941

Call Peter Mohr 0412 564 706 for more info and discuss prices.

**FOR SALE: PEREGRINE F2 1600 cc single seater.**

This is a Group Q F2 single seater with CAMS C of D and historic log book and was originally built by Ivan Clencie in Melbourne in 1969.

It is powered by a dry-sump Cortina engine with dual 40 DCOE Webers, VW/Holinger gearbox, Tomkinson alloy wheels and near new Dunlop radial slicks. Car was fully refurbished by Ken Graham (chassis) and Ken Gray (bodywork) in 2006. The car is very suitable for club and hillclimbs and GEAR but has had little use in recent years.

Asking price is \$17,500 ono and it comes with some spares including wheels. Contact Jim Templeton by email at [templ0n@tpg.com.au](mailto:templ0n@tpg.com.au) or 0408 725 743
