HRCC depends on strong participation from interstate Competitors to help make our Race Meetings the success they have been, and considerable numbers of HRCC Members travel to interstate Meetings regularly, which helps those organising Clubs and of course a great time is had by all!

**Penned by V-P Peter Walsh in Alan's absence**

**A**nother busy month coming up with a lot happening in the Club. First up is the proposed adoption of the Draft Constitution which will be voted on at the General Meeting on Monday 20<sup>th</sup> October. I can only reiterate the published memo (see website) on the subject and recommend your positive vote for this modern and constructive Constitution. Many thanks to Milton Brennan and the Committee for the work that has gone into this project.

Our big event for this time of year is Noosa/THE HILL, now in its 17<sup>th</sup> running! A diverse field of 145 cars will contest the spectacular Gyndier Drive climb in the Tewantin National Forest. The Hill is a joint venture of Noosa Beach Classic Car Club and HRCC, with Alan Steel being the long time and hard working HRCC leader of the event. There are more improvements to the track and the facilities for 2014 and the local authorities are to be thanked for their assistance, but it's mainly the work of the volunteers of the NBCCC who drive this project.

There will be a pre-event Working bee on Saturday 25<sup>th</sup> October from 8am and HRCC Members are urged to lend a hand, it's mainly grass and fallen sticks, etc to be tidied up but it's a big area and many hands....

Next month's Annual General Meeting notices have been published on our website already and repeated in this "Historic Torque". All Committee positions are open for election and while some Members will offer to continue in their roles, we really need several new Committee Members who have the passion to take on a portfolio and make a serious contribution to the present and the future of the Club. We propose in the near future to be seeking assistance with these roles from Members who have a particular interest, eg a Race Group or a promotional role. Your serious consideration is requested. Committee nominations must be in the hands of the Secretary by Monday 27<sup>th</sup> October (see notices on page 11).

John Tupicoff is keen to hear from anyone who feels he can make a solid contribution to the preparation for the 'Autumn Historics' and 'Historic Queensland'. These are big events and don't happen by themselves. Some new faces on the Race Committee and the Volunteer list would be welcome. (see bottom of page 6). Many thanks to John Tupicoff, Chris Fry, Tony Hastings and the Group N committee for their background effort to make this weekend's Ipswich Classic work for the Members involved. You might like to go and watch them play!

Kind Regards *Peter Walsh*

This is a Group Q F2 single seater with CAMS C of D and historic log book and was originally built by Ivan Clencie in Melbourne in 1969.

### 1981 TIGA SPORTS 2000

It wasn't in great condition when I bought it so in 2010 I had Peter Brennan fix up the problems including some running gear issues, brakes etc.

Peter assured me at the time it was ready to race. The body panels are all there but need some TLC. That said, you could probably get it track ready in a weekend. It does not have COD but I have documentation that should be enough to get that process under way.

My asking price is \$34,000.00 negotiable. This is a lot less than it has cost me but I am interested in a sale sooner rather than later. Located Phillip Island.

The Australian International Concours d'Elegance & Classic Motor Show

24-26 OCTOBER > 2014 ROYAL EXHIBITION BUILDING MELBOURNE

[www.motorclassica.com.au](http://www.motorclassica.com.au)

Motorclassica, Australia's premier exhibition of unique, collectable, contemporary and historically significant cars and motorcycles, returns to Melbourne's Royal Exhibition Building, October 24-26, for its fifth and biggest showing yet. The event has become a mecca for automotive enthusiasts, featuring special displays of automotive memorabilia, models and other collectibles alongside the cars.

This year's Motorclassica will celebrate the centennial of Maserati and half a century of the Ford Mustang, as well as "50 years of Speed" with a special display dedicated to Donald Campbell's dual World Land Speed and Water Speed records set in Australia in 1964.
