3. **Practice:** Saturday morning practice is compulsory for all competitors, and sessions will be held as per the attached timetable.
4. **Regularity Competitors:** Please note that all competition numbers must comply with Schedule K of the CAMS Manual and must be affixed to the vehicle prior to scrutiny. Numbers **MUST NOT** be affixed to glass areas. You should present both your car and yourself at scrutiny in a "ready to compete" condition. Don't forget you are not racing and any competitor overdriving or competing in a manner deemed by the Clerk of the Course to be contrary to the "spirit" of the event will be black flagged. This could lead to exclusion for the balance of the Meeting. This is a test of consistency and not a race. Note also that in order to increase consistency in driving and the results, EVERY LAP will be timed. Starting will be via a green flag prior to the back straight.
5. **Licence Endorsements:** Drivers requiring upgrade endorsements on their Provisional Circuit licence or a maintenance signature on their National Circuit licence must attend the Clerk of Course special briefing immediately following the Racing Driver Briefing on Saturday, hand in their licence and sign the appropriate Register sheets to ensure observation over the weekend. At the completion of Sunday competition, drivers should collect their licence from the nominated Assistant Clerk of Course. Drivers requiring a National Circuit licence upgrade endorsement for an international historic licence should meet with the stewards prior to competition to ensure the appropriate observation. Drivers not fulfilling the above conditions should not waste their time approaching either the Clerk of Course or the Stewards.
