See hrcc.org.au for event information

No General Meeting.

NEW! HRCC's FRIDAY SOCIAL EVENINGS FOR 2017:

17 FEBRUARY, 19 MAY, 18 AUGUST, 17 NOVEMBER (AGM)

at Moreton Bay Sports Club, 175 Boundary Road, Tingalpa.

***NEW: FRIDAY NIGHT SOCIAL EVENT*, Friday 17th FEBRUARY**

at MORETON BAY SPORTS CLUB, 175 Boundary St, TINGALPA (Just off Gateway Motorway via Wynnum Rd).

Booking not required but would be most helpful in ensuring adequate accommodation, however to facilitate catering, IF YOU INTEND DINING PLEASE ADVISE how many guests you are bringing (by Monday if possible), by email: info@hrcc.org.au or phone Peter Gilbert on 0424321072

The HRCC Committee has put a lot of work into increasing the number of Members attending our monthly General Meetings, only to see ever declining attendance.

To generate a more social atmosphere and foster Club camaraderie, for 2017 we have organised instead to have **quarterly Social Evenings**, with minimal (if any) business, and changed to FRIDAY evenings.

These are not General meetings as in the past, but an opportunity to **bring your partner, family or friends for casual dinner** and a get-together with your motorsport friends to talk about carburettors, exhaust pipes and how fast you used to be!

We have exclusive use of the 1st floor Panorama Room, Moreton Bay Sports Club, 175 Boundary St, Tingalpa.

There will be no cover charge and dinner is at your option. Purchase excellent Club food and cash bar in the Panorama Room. Enjoy casual dining and convivial HRCC company. Come and talk Racing Cars with like-minded Members and Friends!

HRCC's 2017 TRAINING COURSE FOR NEW COMPETITORS and FOR THOSE WHO ARE NEW TO CAMS EVENTS.

Experienced Competitors are also welcome to refresh their knowledge of the current Regulations and expectations, and anyone who has an active interest is most welcome.

Especially encouraged are younger members of HRCC families and friends.

This Course is designed to give the basic information to enable a competitor to obtain a Level 2 Speed (L2S) Licence, prepare a roadworthy road car for Speed Events (Sprints, Hill Climbs, Regularity Trials), understand the Rules and Controls applying to Competitors and Drivers, and how to Enter the Event. It includes many helpful hints and an insight into what to expect (and what is expected of you) on track.

The Course runs from **12:45 pm till 4pm, on SATURDAY 18 February, at the VCCA Clubrooms,**
1376 Old Cleveland Road, Carindale.

Subjects to be covered:

Regulations,
General Requirements for Automobiles,
General Requirements for Drivers,
Registration (On line and paper work) and what to do with it at the track.
Track Control — Marshals and Flags,
Track Control — Starts etc
General Rules,
Questions and Answers
To conclude the afternoon, there will be a BBQ (sausage and a light ale) about 4pm.

It is planned to have a road registered car, which now competes in Sprints and Regularity Trials, available for you to inspect to illustrate the preparation needed and recommended.

The CAMS Official attending is Benn Gregory , Just Flags -David 'Skippy' Evans, HRCC - Peter Gilbert , Sandra Gilbert (catering) and others

To assist the organisers of this Course, please register your intention to attend asap:

go to: cams.com.au, see "Member Portal" and/or "Register Here" on top RHS of CAMS Home page.

If you don't already have a CAMS Licence there is provision there for you to register anyway

When completed, then click on 'Enter an Event', and just follow the prompts, it's easy, and this is where you'll need to enter most CAMS Events in future. Otherwise please contact Peter Gilbert on 0424321072.

An opportunity to assist with maintenance of your favourite race track!

The opening round of the CAMS State Championship has had to be postponed due to some heavy weather at Warwick which has caused the engineer to be wary of using the track surface on the proposed date/s. Without the rain, all would have been good – but, such is life.

Rather than change your plans entirely –

A Working Bee is to be held at Morgan Park on the weekend of Saturday 11th & Sunday 12th March.

If you can spare some time – even a half day, please let me know by email: siffert917@bigpond.com WDSCC will, of course, provide lunch and drinks etc for those who participate in the working bee.

A variety of tasks to be done – painting, hole punching in tyres for new barriers, back-filling of kerbs etc. Paul O.

Survey seeks to clarify motorsport, road safety link

By SPEEDCAFE.COM

WEDNESDAY 8TH FEBRUARY, 2017 - 9:28AM

SHARE:The Australian Institute for Motor Sport Safety is trying to dispell claims that motorsport does not translate to safer driving behaviour on public roads.

AIMMS is embarking on a series of research projects, one of which has the potential for a significant impact on those involved in the sport.

Garry Connelly, chairman of the motorsport safety group, says a survey that has been distributed to CAMS members is seeking to find if there is a link between those involved in motorsport and driving safely on public roads.

“For years, certain academics have argued that those who have been involved in motor sport (even as spectators) or those who have had professional advanced driver training, are worse drivers than those who have not,” Connelly said.

“This independent online survey seeks to determine if people who participate in motor sport, or have undergone professional advanced driver training, have less (or more) likelihood of being involved in crashes on public roads.”

The survey is partnering with Dr Kristi Heesch from the School of Public Health and Social Work at Queensland University of Technology to gather information that can inform these efforts.

It is essential that as many people as possible complete the survey to achieve the most accurate result.

AIMMS also hopes that motor sport participants will encourage a wide circle of friends and co-workers not involved or exposed to motor sport to spend their time completing the survey.

The survey will be distributed to all CAMS members above 18 years. [Click here to access the survey](#)

Australian Sports Sedans making Historic Revival at HRCC

John McCormack Trophy Announced

For over 40 years, Australian Sports Sedans has been a race category that has its roots in heavily modified but production based sedans. In effect, a silhouette class representing closed production sedan bodywork but with free construction underneath. Cars produced were loud, fast and always entertaining.

As well as the Australian Sports Sedans Championship it spawned many lucrative race series which in turn attracted many of the now legendary racing stars as well as large spectator numbers.

One such legend was John McCormack who took his vast open wheel racing experience to the category, first producing a Valiant Charger and then a V12 Jaguar. He also was instrumental in the making of other sports sedans such as the recently restored Bruce Gowan's Celica.

The Historic Racing Car Club of Queensland is actively promoting a resurgence in Historic Sports Sedan Racing and has announced the inaugural **John McCormack Trophy** for 2017. It is a two race meeting series open to log booked Historic Group U and invited log booked Category 2 or 3 cars.

The races will be held during the Club's *Autumn Historic Warwick* (May 6th and 7th) and *Historic Queensland* (July 1st and 2nd) events at Morgan Park Raceway, Queensland. These are national events and interstate competitors will be made most welcome to take part in Group U racing.

The HRCC aims to encourage Historic Sports Sedan owners to get their cars out of sheds and onto the race track again. Australian motor racing is rich in sports sedan racing history and the Club has aims of re-creating the atmosphere and excitement of the sports sedan era.

For more information about the series, including entry, contact Benn Gregory:

benn@arrowsoftware.com.au or phone: 0418 746673

HRCC is bringing back the thunder, thrill and excitement of modified Sports Sedan Racing

Group U Historic Sports Sedan Racing

HRCC is actively promoting a resurgence in Group U Historic Sports Sedan Racing by scheduling trophy racing into its two major race meetings during the 2017 racing calendar.

Competition will be for the inaugural "John McCormack Trophy" **

Race grid open to all cams log booked Group U cars plus Invited selected Group 3 & 2 Log booked cars ***

If you have a Group U or car that will qualify in the invited class, no more excuses, get them out of the shed and heading to Morgan Park, Warwick, Queensland in 2017....

Interstate entries sought and will be made most welcome.

Send email or call to register your interest and then receive regular updates leading up to the 2 events.

Email HRCC - info@hrcc.org.au
Phone - Benn Gregory 0418 746673

** Only Group U cars qualify for the "John McCormack Trophy" with driver and car competing at both the 2017 Autumn Historic and 2017 Historic Queensland race meetings.

*** Invited cars comply with Group 3 or Group 2 Log Booked cars that are pre 1986 and meet the category requirements. The race committee will decide on Invited entrants.

WANTED: Information re AUSTIN HEALEY 100/4.

I have recently purchased an Austin Healey 100/4 which I intend to convert back to a Group S race car. The car was a race car, owned by Gordon Cope Williams, previously by David Madrers and part of the "Midnight Motors" team that included the Shields brothers, and raced extensively in the late '70s, early '80s. I am currently trying to find photos, details of racing results etc for the car but with not much luck. Any assistance would be appreciated. Shane O'Brien, shane@checkmatecm.com.au

NOTICE

Notice of Meeting: A Meeting of Historic Racing Car Club (Qld) Inc will be called during the Friday Social Evening at Moreton Bay Sports Club, 175 Boundary Street Tingalpa, on Friday 17th February, to present this resolution:

NOTICE OF RESOLUTION: Race Committee Chairman Alan Steel will table the following resolution at the 17 February Meeting. To comply with the HRCC's Constitution (46.4), expenditures in excess of \$50000 must be approved by resolution at a General Meeting. The event budgets have been presented to and agreed on by the HRCC Management Committee, which recommends the resolution to you. The budgets may be examined at the meeting or by contacting John Tupicoff (see page2). Direct voting is available on request to info@hrcc.org.au or 0419778007.

The resolution: "That the Club approves the budgeted expenditure for the conduct of the pending 2017 race meetings, ie Autumn Historic Warwick the amount of \$75000, and Historic Queensland \$90000".

HAVE YOU RENEWED YOUR MEMBERSHIP YET? **EXPIRY: 31/12/2016... PLEASE RENEW BY 31/1/2017**

Membership Renewals were mailed in November; if you don't have yours ring or email Jim **NOW**.

If you have your RENEWAL, then please follow the instructions on front page.

It is important you return at least the back page of the Renewal with payment, unless your details have changed.. then please send BOTH pages.

Most 2017 Membership cards were sent in January to avoid the busy Christmas period. Emailing the form will not speed up the process, if renewal is urgent ring or email Jim.

It is worth mentioning that EFT is a more secure way to pay dues.

Membership Definitions: see below or if still unsure ring or email Jim for clarification on Membership.

At their March 2016 meeting, the Australian Historic Motor Sport Commission (AHMSC) decided, in principle, to introduce engine sealing as a mandatory requirement for Group S and Group N.

CAMS official documentation has now been published.

Note corrected date. Apologies from JK

Engine Sealing Compulsory for all Group N and S cars as of 1st January 2018

Are you aware that all competitors in Group N and Group S events held after 1st January 2018 will be required to have your engine sealed by a CAMS Approved engine sealer? Sealing involves measuring the bore and stroke to confirm your engine capacity is within the class rules, then applying a wire and seal through a pair of sump bolts or engine block /sump flanges. This should be done when the engine is pulled down during its next rebuild. An engine can also be sealed prior to a refresh or rebuild on the proviso that at the next rebuild the seal is removed by a CAMS Historic Eligibility Officer (HEO) who will then measure the bore and stroke. The official guide is now on CAMS website:

<https://www.cams.com.au/motor-sport/sport/historics/group-n-s-engine-sealing-procedure>

for assistance contact John Kingcott on 0438886053 or CAMS office on 1300 883959.
