All Historic Summer Race Meeting

16th December 2015

Dear Competitor,

A very happy festive season to you and your family from the HSRCA. I thought it best to send this invitation before Santa arrives this year, just in case there is something you need for the car so that you can drop that subtle hint.

You are cordially invited to participate in our forthcoming Historic Race Meeting at Wakefield Park on 27th and 28th of February. The theme for this meeting is Group N, particularly the over 3 Litre cars, since they are not being invited to Phillip Island this year and will be needing a run to prepare their cars for the season. We are working with their Category Manager to provide something different in the programme for this group.

We will also have the usual programme for all 5th Category Historic cars and you can also look forward to the drinks and nibbles session at the close of play on Saturday evening where you have the chance to unwind and share a drink with the officials, who are untiring in their support of our sport.

So, if you want to be assured of having enough cars in your group to form your own grid (20), then get onto your mates and encourage them to enter. Speaking of which, there are three ways to do just that:

1. Go to Motor Event Entry (www.meecamsau.com) and enter on line;
2. Go to the HSRCA website www.hsrca.com and download the entry form; or
3. Give Robyn or myself a call and an old fashioned snail mail package will eventually arrive in your letterbox.

If you have any queries, please call Noel or Robyn Bryen on (02) 9913 3662 and we will do our best to assist.

So, please come along and enjoy some great historic motor sport.

Yours sincerely,

Noel Bryen
