

# WINTON MOTOR RACEWAY

## CONDITIONS OF GARAGE HIRE

**The garages have been built for the benefit of our competitors. Remember that you are not the only persons who will use these garages. Please leave them clean and tidy for the next person.**

**It is recommended that you place your own padlock in the pad bolt of the P.A. door at night for security.**

1. Garage cost of \$230 (incl. GST)
2. Your tender vehicle **must** be parked behind the white line at rear of garages. This will leave an access way for emergency vehicles if needed.
3. Staying or sleeping in Garage overnight is prohibited. This action contravenes the Council controls for Winton Motor Raceway.
3. Fires are not to be lit in or near the garages.
4. Fittings are not to be removed at any time.
5. Nuts, bolts and screws are not to be removed or unscrewed at any time.
6. Cable ties are not to be hung around screws in the garage walls or ceilings.
7. Locks on garage doors to be treated with care – do not force or break to open roller doors.
8. Clean up all race tape off the floors and walls before leaving.
9. Pick up all equipment before leaving.
10. Pick up all rubbish and put in bins located at the rear of garage.
11. Shut all roller doors before leaving.
12. Close PA door before leaving.
13. Fire hose reels are not to be used for any other purpose.
14. A disposal charge of \$10.00 will be made for any tyres left in or around your garage area

**Any Breach of the above will hamper your ability to hire a garage in the future. In the event that any damage is caused, Winton Motor Raceway will expect compensation for the financial cost of any repairs.**
