Wakefield Park: Historic Race Meeting

Saturday 24th and Sunday 25th September 2011

12th September 2011

Dear Competitor,

I am pleased to advise that your entry has been accepted for the HSRCA Spring Historic race meeting at Wakefield Park. Your documentation for the weekend is enclosed, which includes the following:

- Entrants and carport listing – see where you and your mates are located.
- Map of Pit/Paddock area.
- Programme of Events, so you know when to be ready.
- Your Scrutineering Form – **bring it with you to Scrutineering!**
- Further Regulations – always worth a quick read
- Crew Passes, so you can gain entry.

For Aussie Special Racing and JKL competitors, please note that I have cross entered you into Aussie Special Regularity, just in case you would like some extra track time. It will also help to bolster the field. For those Aussie Special Racing competitors who have paid to cross enter into Aussie Special Regularity I will issue you with a refund. Confused? Give me a call.

We have provided a Marquee for some Aussie Specials – unfortunately it is limited to 20 cars – these are shown on the entry list with an “M” prefix. I apologise for those competitors who applied for a carport and were unsuccessful. As usual, we were over-subscribed by double and your refund will be in the mail shortly after the meeting. Wakefield Park (48 222 811) may have some garages available.

Please note that avgas will be available, but we will have to travel to the local airport to obtain it. Arrangements are in place to allow us to do this, however, it will not be available on Friday. Details will be provided at the drivers’ briefing.

Also, just a reminder that Mal Brewster will be operating his popular Track Walks on both Saturday and Sunday mornings. Please meet at the control tower at 0700.

Don’t forget the drinks and nibbles session for all competitors, pit crew and officials immediately after the close of play on Saturday afternoon. This is your chance to thank the officials and have a wind down before dinner.

Have a great weekend and I look forward to sharing the experience with you. My contact details are (02) 9913 3662 (after 6:30pm) mobile 0409 569 492 or nbryen@optusnet.com.au

Regards,

Noel Bryen
