Proposed HRCC Clubrooms – brief update

As a number of members are aware the Moreton Bay Sports Club ceased to trade at the end of February due to an inability to service its debts. The appointed liquidator tried to find a buyer through the tender process for the business and fixtures and fittings, but apparently at this stage none is forthcoming.

Where does this leave the HRCC and the proposed club rooms, as provisionally land occupation for the club room was proposed to occur as a sublease to the Moreton Bay Sports Club?

The area (Carmichael Park or sports grounds if you like) was occupied by three organisations: Moreton Bay Sports Club; Wolves Football Club; and the Cricket Club. It is our understanding that each of these organisations lease and leased property from Brisbane City Council directly and separately. The football and cricket clubs remain on the site virtually unaffected and still would welcome HRCC to join them and the land occupied by the former Moreton Bay Sports Club should revert back to BCC. The proposed clubrooms would have been located on the latter site.

A number of factors fulfilled our pencilled-in eligibility criteria for a possible site: an established club/meal venue; central location to the gateway freeway (being not that far from the Veteran CC Rooms used previously); part of a sporting mix of clubs; land owned by Brisbane City Council and leased long term at very low rent to community clubs/groups; established large car park and so on.

In continuing our due diligence prior to putting any proposal to the members, a meeting will shortly occur with the local Councillor, Mr Ryan Murphy to gain further and better particulars surrounding Council's perspective on matters around the future (or replacement) of the Moreton Bay Sports Club and the ability to directly lease land to the HRCC long term and if so at what fee and so on. We will definitely keep members posted as to outcomes from discussions. But please be reassured no commitment will be made on behalf of the HRCC prior to members considering all matters, as required under our constitution.

Cheers and thanks for your patience

Minutes of Social & General Meeting

19 February 2018 held at Carina Leagues Club, 1390 Creek Rd. Carina

Meeting Start: 7.40 pm

Minutes taken by: Peter Gilbert

Welcome Address by the meeting chairman, Alan Steel.

Present: See attendance sheet, 15 members.

Apologies: Ken and Jill Nelson, Alan Don, Ian Welsh and Kev. Gray.

CAMS State Council: Fred Sayers: Paul Woodward (President) expected to attend the next Meeting on the 20th; he has been on sick leave. Alan Steel inquired about who was running the State Rounds

Group Leaders:

Groups C&A: David Paterson–Calendar is now out, will attend 'Historic Queensland' this Year, will not be going to Philip Island.

Group S – Stan Adler- Have 55 cars + 12 reserves attending the Bathurst 12 hour as a support race.

Regularity – Ray Law – Enjoyed a good weekend at the TTT Day.

Group F – Michael Meyer – Proposal for Component Substitution has been put forward in the form of electronic ignition, aluminum heads and other components.

Groups M,O,P,Q and R – Mike Gehde- 10 cars going to Philip Island, restricted the overall field to 350, should result in more runs. Sports 2000 have new engine rules which could lead to engine sealing.

Group Reports: Peter Gilbert- TTT Day went well with a few minor delays, the rolling starts worked well and everybody had four runs. We also have a display organized for the CAMS Expo on the 25th February .

ELECTION of OFFICEBEARER: Alan Steel - there is a vacancy on the Committee; nominations were called at the AGM and one Nomination has been received, so the Proposal is: **that Fred Sayers be elected to the 2018**

Committee. Proposer: Jim Goulden, Seconder: Peter Walsh, All in favour by show of hands, carried.

RESOLUTION on NOTICE: Race Committee Chairman Alan Steel proposed the following resolution, To comply with the HRCC's Constitution (46.4), expenditures in excess of \$50,000 must be approved by resolution at a General Meeting. The event budgets have been presented to and agreed on by the HRCC Management Committee, which recommends the resolution to you. Mike Gehde asked John Tupicoff for a comparison of last Year's final figures and how much of a difference there was, this was resolved and we moved on to the resolution.

The resolution: "That the Club approves the budgeted expenditure for the conduct of the pending 2018 race meetings, ie Autumn Historic Warwick the amount of \$75,000, and Historic Queensland \$90,000". Moved John Tupicoff seconded Alan Steel. Carried by show of hands.

Events; Alan Steel – Congratulated all Club Champions who attended the CAMS Award night and the late John Kingcott for his CAMS Service Award.

Alan Steel – All Race dates have been published in the Newsletter for 2018.

Alan Steel – There will be a special Super Sprint for Sports Sedans at the Autumn Meeting, the cars do not require a logbook and drivers only an L2S Licence; this should make for a large field; Mark Trenoweth is coordinating.

General business: Alan Steel advised that all 2018 Social Meetings will be held at Carina Leagues Club as Morton Bay Sports Club has closed.

John Tupicoff has offered his workshop to be used for engine sealing if required.

Alan Steel asked if anybody wanted to take over the Club's Merchandise as no one had come forward.

Date next Social Meeting: 21st May 2018. **Meeting Closed:** 9.24 pm.

CAMS 2018 MANUAL EASIER TO USE.

Thanks to Historic Technical Commissioner, Bruce Richards, for forwarding this item.

I have only just read the 2018 CAMS Manual which is now up on the CAMS website. I thought that some of you, like me, may not have had a chance to look at it yet. The Production Based groups (A,C,N,S,and U) regulations have now all been laid out in the current CAMS format which is more like dot points.

This should make the regulations easier to read and easier to find a particular item. From what I can see the content has not changed just the format. I have attached links to the various sections for you to look at when you get a chance or just to have for quick reference. Thank you. Regards, David Twigg

HOOSIER STREET TD TYRES

CAMS has been advised by Hoosier Tire Australia of a numbering change to the Hoosier Street TD tyres as listed in the 2018 CAMS Manual, Vehicle Eligibility Group N and S, 1. Equipment Standards and Guidelines, 1.1, Approved Tyre List - Groups Na, Nb, Nc, Sa, Sb, Sc.

The advice from Hoosier Tire Australia is:

The Hoosier TDS tyre part numbered 44286 will now be a 44287 25.5x8.5-15 Hoosier TDr

And the 44306 TDS will now be a 44308 26.5x9.5-15 Hoosier TDr.

The R compound is all that has changed and it is a more durable compound than the S compound.

I understand that the new numbered tyres may already be available and being supplied. CAMS will alter the Listing in the on line Manual accordingly. Regards, David Twigg.

Vale: Frank Marshall (1940-2018)

An active Member since 2005, Frank loved his motorsport and especially his 1972 ASP Formula 2 car. With typical generosity Frank allowed aspiring racer Matt Campbell the use of the ASP in many events, culminating in class lap records at Morgan Park and Sydney Motorsport Park, and providing another ladder in Matt's climb to international stardom.

Frank is pictured far-left with Matt and the great Ron Tauranac. Frank leaves his long-time partner Raina and a lot of saddened friends in HRCC.

The funeral will be at Mt Gravatt Cemetery at 11am on Friday 16th March.

Leyburn Sprints leader Ann Collins passes

By SPEEDCAFE.COM

Queensland motorsport has been saddened by the news of the death of former Leyburn Sprints President Ann Collins, who has lost a short but courageous battle with pancreatic cancer.

Ann and her well-known racer husband Mike were the driving force behind the establishment of the Leyburn Sprints on the Darling Downs near Toowoomba 23 years ago, (together with HRCC's Bill Westerman who drove the competition side of the joint venture...ed).

Collins was the inaugural President of the Leyburn Sprints Committee and held that position for 20 years before dropping back to the position of Vice President three years ago.

While a tireless worker for the Leyburn event, Ann was also a major supporter of Mike and his own motorsport activities both in Australia and Internationally, including an appearance in his Mustang at Pikes Peak in the US.

Ann and Mike married in 1968 and initially made a life in Inala, Brisbane.

In 1976 they purchased a property just outside Leyburn and moved there full time four years later.

Ann had many facets to her life, including the daily running of the family hay contracting business, Collins Hay, as well as varied community positions.

She joined the Clifton Shire Council in 1994, and became the first, and last, female mayor of the Shire from 1997 to 2004 (Clifton Shire Council has since been amalgamated with Toowoomba Regional Council).

Along with her many achievements, she was also President of the Leyburn P&C, Clifton Show Society and Chairman of the Darling Downs Moreton Rabbit Board (DDMRB). She was most recently the Chairman of the board for the Australian Fodder Industry Association, only standing down at the end of last year.

Longtime Queensland motorsport and motoring PR man Chris Nixon paid tribute to Collins.

"Ann was a wonderful lady who had an enormous passion for everything she became involved in," Nixon told Speedcafe.com.

"The commitment from Ann and Mike (Collins) to the Leyburn Sprints over many years can never be overstated.

"If it needed to be done then Ann would do it and she was the driving force behind making the Leyburn Sprints one of the most successful events of its type in Australia."

Ann's funeral will be held on Wednesday March 7 at St Matthew's Catholic Church, Leyburn at 11am, followed by internment at the Leyburn cemetery.

Speedcafe.com offers its condolences to Mike, Ann and Mike's five adult children Paul, Mark, Wayne, Chris and Tricia, their respective partners, and their seven grandchildren.
