## Personal Note from the Editor:

Yes, 100 is the limit. October 2018 is the 100<sup>th</sup> issue I have edited of the HRCC's Historic Torque, having started in June 2010, and producing 12 issues annually; unfortunately I needed to combine the July and August editions this year due to the timing of the biggest ever Historic Queensland Race Meeting.

So the November issue will be my last as Editor, marking eight and a half years of a significant investment of time, thought and effort. I have enjoyed the monthly challenge, and I hope you have enjoyed the result...

I wish to thank those who have assisted along the way, by contributing notices, stories, photographs and encouragement, but most importantly, the professional photographers without whom this would be a difficult job and a poorer result. I would like to thank, especially, Ian Welsh ([shiftingfocus.com.au](http://shiftingfocus.com.au)) for his copious and prompt supply of excellent motorsport

photographs, and his great work with our very modern website.

Following in the footsteps of dedicated Members past, including Ken Nelson, Ross Phillips, John Carson, Pete Ziser, and Charles Mogg, Ian has volunteered to take over the role of Editor of Historic Torque, so it's in good hands.

Peter Walsh.

HRCC Members and friends are encouraged to participate in the **Working Bee** in the Pit Area on Saturday 27<sup>th</sup> October.

Beginning at 9am, we'll be trimming grass, picking-up sticks, and making the area tidy for the big weekend.

A sausage sizzle and refreshments will be provided.

Share the ride with a mate or three... Many hands make light work!

## HRCC Helping Those Who Help Us.

As part of HRCC's *Historic Queensland Race Meeting*, the Friday night Meet & Greet included a multi-draw raffle with all prizes thanks to generous Event Sponsors.

In August the HRCC Treasurer John Tupicoff returned to Warwick, and presented the raffle proceeds, \$1050, to the Glennie Heights Scout Group at their Den.

Since 2015 the Glennie Heights Scout Group have been assisting the HRCC with the Entry ticket sales at both Historic Race Meetings in early May and July each year.

Neil Meiklejohn (Emu) said the unexpected donation would go towards the renovation of the Scouts Den and thanked HRCC and its Members for the generous donation.

## Be Part of Fabulous Noosa!

The 21<sup>st</sup> Noosa Hillclimb (Summer) will be run over the weekend of 10-11 November.

Both Noosa Hillclimbs (Summer and Winter) are promoted by a joint venture of the Noosa Beach Classic Car Club (NBCCC) and Historic Racing Car Club of Queensland (HRCC) and have steadily increased in popularity over the last 20 years.

The course is claimed to be Australia's Toughest Hillclimb, combining 14 challenging corners with a dramatic rise to the top of the range, all centred in the beautiful Tewantin National Park. Of course, Noosa/Tewantin provides plentiful accommodation and entertainment, so a longer stay is very popular.

Billed as the Classic and Sports Car Challenge, the Summer Hillclimb is open to all types, but, with the glorious Noosa weather, is especially suited to Sportscars and open-wheel Racing Cars, whether road registered or not.

*For 2018, cars with Historic Logbook will be included in the appropriate age bracket unless sufficient entries are received to form an individual class. The three age brackets are:*

*Historic (Pre-1980)*

*Classic (1981-2000)*

*Modern (post 2000)*

*including Classes for Racing Cars, Sports Cars, Sports Sedans and Touring Cars, and a Regularity Hillclimb.*

## VALE: Robert Frederick 'Bob' JANE

The famous Racing Driver, Bob Jane, passed away peacefully on 28<sup>th</sup> September 2018, aged 88, surrounded by his family.

Over many years, much has been said and written of Bob's illustrious careers and his life. We need only say that he was a great part of Motorsport History in Australia, and his influence on the consumer business world is underestimated.

Bob lived life to the full, and has long been a hero to many.

We offer our condolences to his family, friends, and fans.  
See *The Back Page* for more...

## Positions Vacant: Your Chance to contribute to Your Club!

### Management Committee

The Management Committee is an elected group of eight Members, and is charged with 'the general control and management of the administration of the affairs, property and funds of the association' (...Constitution s21).

All Management Committee positions become vacant at the Annual General Meeting, and all Members are invited to consider nominating for those positions. Some of the incumbent Members have re-nominated, but there will be vacancies.

Members with a little time and enthusiasm to devote to the administration of their favourite Club will be most welcome, and a Committee role is a great way to learn more about Historic Motorsport and how HRCC functions as part of the greater Historic Motorsport family.

The Committee currently meets monthly and Members are encouraged to take-on a portfolio to spread the load.

If you'd like to know more, please phone any of the current Committee Members, listed on page 2.

Nominations are open till 1 November (see page 11 or separate attachment).

### Race Committee

The HRCC Race Committee works in conjunction with the Management Committee to prepare for and conduct the Club's Motorsport Events, eg the Try, Train, Test (TTT) Day and SuperSprint in February, the Autumn Historic Warwick (May) and Historic Queensland (July) Race Meetings, and works with the Noosa HillClimb Joint Venture Committee.

The Race Committee would like to see some new members; someone with the time and energy to contribute to the organisation of HRCC's big events, and enjoy the satisfaction of a job well done.

### Event Team

We also need to establish a register of Members who we can call upon readily to carry out specific tasks to assist in the preparation of these events. If you'd like to be a part of the team, please contact John Tupicoff or Peter Walsh (see page 2).

### **2019 HRCC Club Membership Renewal.**

This year the club membership renewal is being offered online.

The system is entered through the HRCC website via "Lagon" icon.

The online system will allow you to check and update your details when renewing and throughout the year if your details change .

When renewals are opened around the end of November , we provide via email to all members a step by step guide to hopefully make it a relatively painless procedure .

There will still be facilities for paper renewals if required, for members that do not have email /internet.

We would encourage you to try the new system.

If you need help, ring or email the Membership Officer, Jim Goulden 0400 525865 [jim@jandwgoulden.com](mailto:jim@jandwgoulden.com)

**An entertaining and informative video blog including HRCC Members at Wakefield Park. Good to show to family prospective new drivers or officials....**

We are a new start-up called Blat Pack that manufactures and sells apparel and lifestyle printable items that cater specifically to classic motorsports and vintage motorcycle enthusiasts.

On September 22&23 we ran our pop-up trade store at the HSRCA Spring Festival held at Wakefield Park Raceway. While we were there we took the opportunity to record a video blog for our YouTube Channel. The video discusses ways people can get involved in motorsports. In this we have featured Historic Racing as an avenue of on-track involvement, and also used the HSRCA's 2018 Spring Festival as the background in considering other near-track roles that people can also get involved in.

In doing this we were fortunate enough to catch up with some of your members who were there. Given this and the fact that the production centred around an Historic race meeting, we just wanted to bring it to your attention so that you could pass it on to your members.

### ***A great shot of a great sportsman in action.***

Bob Jane in typical over-the-wheel driving position, muscling the mighty Jaguar Mk2 3.8 out of Hume Weir's famous Cutting and into the Esses. Bob and the Mk2 won the 3<sup>rd</sup> and 4<sup>th</sup> Australian Touring Car Championships, following on from David McKay (1960) and Queensland's Bill Pitt (1961), both with Jaguar 'Mk1' 3.4s. Bob went on to a stellar career in motorsport and business, winning two more ATCCs (1971 & 72, Chev Camaro) and 4 consecutive wins in the Armstrong 500 (1961 Mercedes Benz 220, 1962-64 Cortina GT) and many other events in many other cars.

Rest in Peace, Bob.
