From the Presidents Desk

Historic Queensland has been run and won and what a great event! After 2 years of interruptions from COVID and weather we finally had a meeting that was a great success and from the feedback I got everyone enjoyed.

Thanks once again to all our officials and the fabulous work they did at this meeting, particularly with the program interruptions we had on the Saturday.

Everyone still got their full compliment of racing and Sunday still finished at the normal time.

Thanks also to the tireless work of all our volunteers, our fabulous "Flaggies" and all our members in the paddock who control the pits, gate etc. I would normally name names, but there are too many to thank.

I consider myself very lucky to be part of a club that has such a dedicated group of people that both passionate and willing to help.

There was some great racing on the weekend with Saturday morning starting off with an "Emu Parade" on track. Where else could you go in the world and have an Emu on the Racetrack, but again all the volunteers who rounded it up and got it off the track, definitely a new experience at Morgan Park.

Back to the racing! The three trophy races were part of this meeting due to the cancellation of Autumn Historics, the Lionel Ayres trophy for Group O, M, the Bill Campbell Memorial for Group Nc and the Jack Lacey for all Group N.

The Lionel Ayres Trophy was won by Richard Carter in his Group M Renmax, the Bill Campbell Trophy was won by Peter Bagually in his XU1 Torana and I am very proud to say the Jack Lacey Trophy was won by yours truly in my Ford Mustang. As I am sure the other guys are, I feel very honoured to have won this trophy. Overall results are printed below.

Photos in this Newsletter are courtesy of Rob Turrissi from Gran Turrissi and John Carson, thank you very much Rob and John for your hard work and assistance.

We have arranged our Christmas trophy date and venue for 2022, which is at Cloudland at the top of Fortitude Valley. It will also be a celebration of our 30th Anniversary. Thank you to Marie Gehde, Wendy Goulden and my lovely wife Robyn for organising this. The date is **13 November 2022 11am for 12 until 4**, yes, a Sunday lunch. If you are coming from a distance, there is an accommodation deal which is in the invitation below.

As I mentioned in the last Newsletter our updated website goes live this week, so look out for that, please feel free to provide feedback on this.

We intend to have a social General meeting in September or October at the Veterans Club at Carindale, look out for that, the only reason for the uncertain date is that we are organising guest speakers and need to confirm before this announcement.

I'll sign off for another month and look forward to seeing you all soon at upcoming social evening.

GROUP N BULLSHEET

By Rob Switzer

With 18 entries at the recent Qld. Championship meeting at QR, Group N looked like putting on a pretty good showing. Unfortunately, mechanical mayhem reduced the field by about half and it was fairly serious stuff, with gearboxes out, cylinder heads off, steering gear broken and horrible noises coming out of cars on all sides.

Also unusual, was an entry without a single Cortina or Cooper S.

Some cars have been raced since the first one rolled out the factory door ---- Mk1 Cortina, Cooper Mini, Mk2 Jag, Mustang spring to mind with maybe the Datsun 1600 also included, so these were missed.

A packed program of qualifying and 5 races for a huge number of different categories was a credit to the organisers. While QR is not the most exciting of tracks, it does allow some real speed in contrast to the stop/go nature of Morgan Park with its two tight hairpins and three 90-degree corners per lap.

The Grant Wilson Camaro, the King Kong of Queensland Group N racing. Won every race entered and won them with ease, the result never being in doubt.

The exception was the last race on Sunday where a rather stage-managed finish allowed Graham Wrobel to reach the flag first by a metre or so.

Maybe the trophy for this one should be an Oscar?

This shot is from the mid-eighties and shows the last lap of a Group Nb handicap at Lakeside.

Handicapping always seemed wildly inaccurate and I don't recall ever getting a starting position that made any sense at all. However there seems to be a big finish coming up here.

The yellow Anglia, currently raced by Shane McJannett, is driven here by the original owner Trevor Jones and is about to be attacked by heavier metal in the form of the EH Holden and early 289 Mustang and M2 Jag, all planning a last moment dash to the line.

2 Days of Thunder “Shannons Regularity” at Queensland Raceway

By Andrew White

Thanks to Phil Ross and Shannon's, QR included a Regularity event at the recent 2 Days of Thunder. With 16 entries and a great variety of vehicles, from Porsche 911 to Ford Anglia, the scene was set for a great weekend at the "Paperclip". There was also a heard of Mustangs - well four of them anyway, all 1965 models.

Saturday we had qualifying and one Trial which saw two cars out due to failures..... ah the joys of classic cars. Fortunately for Brendan he swapped his Datsun 1600 for his Mazda RX7 and was back on track Sunday. Not so lucky for Bob Bear with clutch issues.

Speaking of clutch / gear box issues my issues continued from TTT weekend with gear selection still a problem. Clutch and gearbox review now a must.

Enough of my sob story, Sunday we had three more trials before midday all without incident, but plenty of competitive spirit, and with the teaser of a champagne podium there was some very close times recorded.

Ultimately there can only be one winner - First Jim Goulden in his Anglia, followed by second Darryl Meahan in his MX5 and rounding out the top three was Ray Law in his Mustang.

Shannon's also supplied a nice goodies bag for our place getters and a bottle of bubbly each, most of which ended up in the QR dirt.

So thank you to all those who entered, hopefully you enjoyed the weekend. I certainly enjoyed running around QR again after 4-5 years, and seeing the latest evolution of QR.

Finally and again, thank you to Phil Ross and Shannon's for organising and sponsoring the event.

Cheers

Andrew White

MEMBERS INSIGHTS

Terry O'Sullivan

I made an interesting discovery while doing some prep for the Historic Queensland race meeting.

This is one of my fuel hoses that looked fine where it was easy to see but was getting really bad where it went through the boot floor and under the car.

Good advertisement for doing good car prep inspections. Even brand name fuel hose goes off reasonably quickly. This hose is a bit over 5 years old and purchased as ethanol compatible.

Hope this is useful for others.

Cheers
Terry

After a disappointing cancellation of our Autumn Histories in May, due to floods, the Premiere event of the HRCC Qld - Historic Queensland was run at Morgan Park Warwick over three days from 8 to 10 July.

The Historic Queensland meet was changed to a three day event, with Practice held on Friday morning and Qualifying beginning after lunch on Friday. The race program was extended to give each Group 5 Races/Sprints/Trials, with very positive feedback from competitors and spectators.

Warwick turned on its winter weather with cool mornings (down to minus 2) to about 15 degrees with fine and sunny conditions.

Thanks to the Race Committee and Management Committee for all the work which goes into a race meeting with over 190 initial entrants.

HISTORIC QUEENSLAND WRAP UP 8-10 JULY

By Greg Dalliston

Special thanks to John and Monica Tupicoff, Kirrily Star Dalliston and Brad Manz for their huge efforts over the 4 days in ensuring the behind the scenes issues were all ran smoothly. Especially after losing half of our team with Covid and family bereavement.

Thanks to all other club members who assisted and the Scouts for manning the entry points.

Our heartfelt thoughts are with Jim and Wendy Goulden with the passing of their beloved son, Paul early on Thursday morning. Our sincerest condolences to the family on behalf of all the racing fraternity.

The social side of the event started with a meet and greet at the Warwick RSL and some great prizes provided by sponsors and the Club.

Saturday "drinks and nibbles" on the canteen veranda to allow us to thank all the officials and track safety marshals'. Thanks to the canteen staff who took over at short notice after Rosy who manages the canteen was taken away to hospital. We wish Rosy a quick recovery.

A large number of interstate entrants entering and enough entrants in Regularity, Group N and Sports Sedans to have 2 fields of each as well as Grp S & T and open wheelers, made for some great racing.

There were some great collection of different groups of cars around the Pit Paddock with seven FJ FX Humpies all parked together and some fantastic period Sports Sedans, as well as Pete Trapnells' Group K 1935 V8 Historic Ford.

Club President Graeme Wakefield in his Mustang held off a very determined Peter Baguley in the LJ Torana and Craig Allen driving the Mewett Mustang fastback to win the Group N Jack Lacey feature Trophy race.

In the Sports Sedans, Aaron Hodges in the 302 powered (Ex Gary Ford) Mark 1 Escort and Carey McMahon in the Monza had some close battles out the front while there were some very spirited battles throughout the pack.

In the Sports Sedan last race for the weekend Aaron and Carey swapped cars and saw Aaron put in a fastest lap to the race in the big Monza.

Aaron Hodges took out the Fred Sayers Trophy for Sports Sedans and also broke the Group U lap record with his first lap time under 1 minute 20 seconds.

Phil Barrow all the way from Victoria raced his well known and prepared FJ in Group Nb and broke his own lap record for his class.

Rod and Belinda Wood from Victoria bought their immaculate Group U mid engine 202 FJ Sports Sedan and finished the weekend 3rd overall in Group U and 2nd in over 2 litre as well as putting up a fantastic display of Historic Sports Sedan merchandise and fed the group (as well as the local birds) with cakes biscuits and drinks all weekend.

Unfortunately, there were a few racing incidents over the weekend with the race being cancelled on Saturday afternoon and the program changed to combine Sports Sedans groups and Regularity groups for the Sunday program.

Congratulations to all competitors especially group and class winners. Apologies to the other Trophy winners and any other lap records but I do not have that info at time of writing this article.

Looking forward to our upcoming HRCC events and keep an eye on our website and newsletters for these.

Greg Dalliston

THANK YOU !

On behalf of the HRCC I would like to thank John Tupicoff for taking the merchandise trailer to Warwick, to the ladies, Marie, Vivian, Rhonda, Joanne and Bronwyn for their assistance on the Merchandise tent at the HRCC racing event in July and to those who purchased items from our dedicated team.

A special thanks to Noel Lummis for his assistance in putting up the tent on Friday, wiping the tables clean of the overnight dew and pulling down the tent on Sunday with the assistance of other men.

▼ The friendly face of Kym from Scrutineering going from car to car on the Group S Grid checking on driver gear and car readiness.

▼ Kirrily Dalliston makes sure husband Greg is completely strapped in (no easy job) before his next Sports Sedan race and as HRCC Club Secretary and all round paddock organiser Greg was a busy boy!

▲ Rob Buckley has recently traded up to a 1982 Van Diemen Formula Ford and is seen here giving wife Vivian, sitting to the rear right of this schmick new car, a break from checking his last race lap times.

▲ Young Victorian Noah Barrow was a keen supporter of his father, Phil, who had brought his 1955 Group Nb FJ Holden to the meet and despite a broken axle the Barrow team didn't miss a race.

▼ There are probably times before the next race, when fettling the Grahame Wrobel Mustang.... that one doesn't need a camera stuck into one's work area!

▼ There are three generations of the NSW Noakes family involvement in this scene as David (second from right) has inherited driving duties from his father (on right) who had originally competed their immaculate 1972 Escort RS1600...and that original BDA engine certainly still sparkled in the Warwick winter sun.

MORE HISTORIC QUEENSLAND

▲ Mark Stockwell, Race Secretary (second from left) is surrounded by heavy hitters including to Mark's right, Russell McDowell of Qld. (Group Nc 1971 XY Falcon GTHO) and to Mark's left, Carey McMahon of NSW (Group U 1985 Chev Monza) plus Aaron Hodges of Qld, who's Group U 1971 Ford Escort gave Carey a big hurry-along in every race.

▲ Father and son combo Peter (Group Nb Mini) and Michael Walsh (Regularity TR7) are regulars at Morgan Park and keep the British car flag flying.

▲ On the Friday of Historic Queensland, at the entry gate, Brad Manz needed a serious discussion with a local emu which was intent on participating in Private Practice....either on-track or in The Paddock.

▼ Paul and Lamyai Young camp at Morgan Park beside their Group Sb Alfa GTV 1750 and always come up all 'bright eyed and bushy tailed' in the crisp Warwick winter sunshine.

▲ Michelle gives Glenn Gerstel a final check before his next Group U Sports Sedan outing in his immaculate Falcon Sprint.

▼ Yes, it was nippy in the frosty early morning paddock at Historic Queensland, but Phill Powell had hot red shoes to match his hot red Fezza.

▼ Course Marshalls (L to R) Bill Crouch and Paul Baxter were on the job providing an experienced overview.

▼ Peter Boel is based in NZ but can still be caught, unawares on cold mornings at Morgan Park, giving a final tune-up to his ever faithful Flintstone Lotus 23B.

▲ Father and daughter combination Gordon and Lucy Osborne run an interesting Regularity car. A Japanese import, this 190 Mercedes had done 400,000 km and features a full roll cage plus lots of patina.

▲ Stan Adler, captured in a stressful moment talking to his customs agent, hearing that his latest 'go faster' bits for his Group S Invited Porsche have been impounded at Port of Brisbane and will miss the next race.

Tony Quin purchased the track from John Tetley about 8 months ago. He has spent heaps of money upgrading the track. This was his official opening. All the race categories were invited to supply two cars to do two 10 minute runs around the track at about 80% racing pace.

Representing Group N was Dave Waddington in the XY GTHO Falcon which went really well.

Also representing Group N was Allan Saunderson in a Lotus Cortina. When Allan started up the Lotus the brand new alternator was not charging. Even though the engine was running like a hairy goat he still went out and only did one lap.

There was plenty of rain so the track was very wet and slippery.

M O Q R SPORTS REPORT

By Mike Gehde

Our July Historic meeting has always been a great event and it was good to see a number of Victorian and even better number from NSW to help build the overall attendance.

It seems we are slowly shaking off the nervousness to enter events.

We had sufficient entries to have a M & O event and Q & R separate, the latter being a bit low in numbers and made up entirely from Sports 2000's and one Group Q - Osella.

Running with M & O were Formula Juniors and Formula Vcs and K, L and P, but Richard Carter in his Remnax 23B sports car won every race outright with very fast times around 1.27's.

Peter Boel from NZ had some issues with the Flinstone Lotus 23 having a DNS from several events and retired the car which had developed a miss.

Richard was awarded the Lionel Ayres Trophy for Sports Cars.

The Q & R category was amongst 3 Sports 2000's of Kevin Gray, Bruce Taylor and Garry Ashcroft and Ian Ross in Group Q - Osella. PA 5 Racing was close with wins recorded for Gray 1, Taylor 1, and surprise surprise Gary Ashcroft 3.

Included in event 20 was the feature race for the Queensland Tourist Trophy Sports Cars won easily by Ian Ross in the Osella with an excellent time 1.22.7 and Kevin Gray taking his win for Group R in his TIGA Sc 80.

Overall Group R winner for the weekend Trophy went to Garry Ashcroft in his S2000 Lola T594 with second to Bruce Taylor in his Sc81 TIGA.

Kevin retired with a blown head gasket, missing two events.

\$65,000.00

This exceedingly rare, left-hand drive AMX 390 c.i. V8, four speed manual with Hurst shifter, was imported from New Jersey in late 2012 and has been comprehensively re-engineered and equipped with Motorsport Australia Historic Group S(b) racing in mind. Such eligibility work included replacement of after-market rear disk brakes with a reversion to rear drums. Improvements include a major engine performance investment, revamped driveline, floating rear hubs, race tuned suspension and Yokohama race rubber, full flow exhaust, specialized instrumentation, full safety array with lightweight Speed Technology race seating plus ERG 5-point harness and hydraulic handbrake.

Engine development of the booming 6.4 litre pony car has been restricted to a level where this road registered car is still pleasantly tractable for street use. Original seating included and car presents as would a standard road car.

Runs with its standard power steering. Bodywork is totally rust free. Factory AMX build #05705, plate located on dashboard. Chassis # A8M397X337862, Engine # GR4428, Queensland Concessional Road Registr# 68-AMX.
